

CHANGE has been happening \Rightarrow too FAST, UNEQUAL + Un Even

• THE ACCELERATED + INTENSE PACE OF GLOBALISATION

has led to...

★ 3 MAIN PROBLEMS

relating to...

1. CULTURAL IDENTITY ... more difficult to define self

IN TRADITIONAL WAYS.

GLOBALISATION & CULTURAL IDENTITY

population growth +

communications technology

common ID bonds \downarrow groups can feel ISOLATED + THREATENED

EMPHASISE more ASSERTIVELY DISTINCTIVE IDENTITY

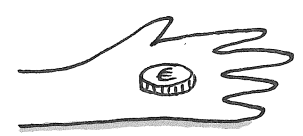

e.g. BREXIT increased distance POWER HOLDERS \leftarrow THE PEOPLE

2. THE ECONOMY

STRUGGLE TO SUSTAIN SELVES

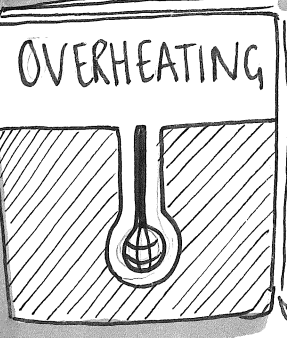

3. THE PHYSICAL ENVIRONMENT

TRADITIONAL LIFESTYLES + PRACTICES HAVE BECOME UNSUSTAINABLE

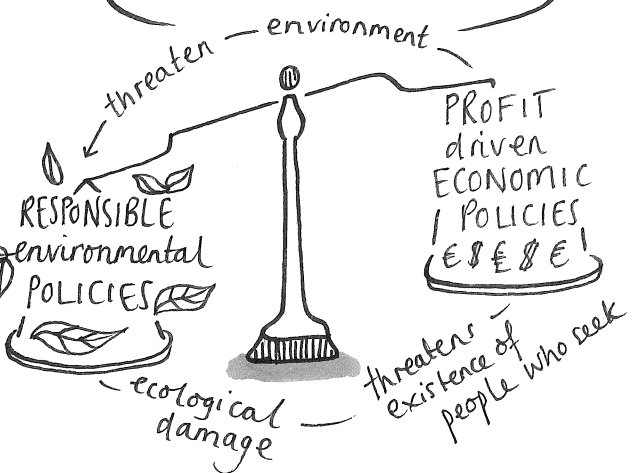

CHRONIC TENSIONS between ECONOMIC DEVELOPMENT and HUMAN SUSTAINABILITY

HUMAN SUSTAINABILITY

CLASHING scales THINKING

European commission

DECISIONS made at LARGE SCALE affect local communities + can leave them DISENFRANCHISED.

CULTURAL COMPLEXITY

in the New Norway (CULCOM)

tensions + opposing forces AFFECT IDENTITIES social INTEGRATION at same time as FRAGMENTATION

being a TURK in NORWAY is SIGNIFICANTLY DIFFERENT from being a TURK in GERMANY

THE MOST GENERAL PIECE OF ADVICE IF THE GOAL IS TO AVOID GLOBAL DISASTER AND COOL DOWN THE HUMANLY INDUCED RUNAWAY PROCESSES CURRENTLY THREATENING PLANETARY HEALTH CONSISTS IN SCALING DOWN AND SLOWING DOWN
